As a passionate Computer Science student at SDMCET Dharwad, I'm on a mission to blend theoretical knowledge with hands-on experience. Currently in my 7th semester, I thrive on coding challenges and innovative projects. I bring a relentless curiosity and a commitment to excellence.

EDUCATION

PUC
Vidyaniketan PU Science College
07/2019 - 07/2021   *Hubli, Karnataka*

  Science
- PCMB

Bachelor's
Shri Dharmasthala Manjunatheshwara College of Engineering and Technology.
01/2021 - Present   *Dharwad,Karnataka*

  Bachelor Of Engineering
- Computer Science Engineering

WORK EXPERIENCE

Web Development Intern
Evogenious Tech
07/2024 - 08/2024   *Pune, Maharashtra*

  Achievements/Tasks
- Created Basic Contact Management System using the MERN stack. Developed a simple contact management system where users can add, view, edit, and delete contact information (name, email, and phone number).
- This task included setting up a backend API, creating a React frontend, and integrating everything with a MongoDB database.
- Demonstrated a strong understanding of web development principles.

Web Developer Intern
Doc-Q
08/2024 - Present   *Bengaluru, Karnataka*

  Achievements/Tasks
- Developed a web application based on provided designs to serve as a platform for downloading a PC application developed by the company.
- Implemented responsive design and interactive features to ensure a user-friendly experience across different devices.
- Utilized the MERN stack (MongoDB, Express.js, React, Node.js) to build and deploy the application.

SKILLS

`C` `Java` `JavaScript` `React` `PHP`
`MongoDB` `Express.js` `Node.js`
`MySQL` `Git` `Problem Solving`
`Development`
`API Development and Integration(POSTMAN)`

PERSONAL PROJECTS

Nexus (06/2023 - 10/2023)
- Nexus is an innovative web application designed to bridge the gap between skilled artisans and clients seeking reliable and talented professionals for various services.

ChronoTrack (07/2024 - 07/2024)
- A simple and intuitive web app to track personal attendance for various subjects.
- Add or delete subject names easily.
- Mark attended or missed classes for each subject.
- View attendance data with a visual doughnut chart.
- Displays attendance percentage along with the last updated date and time.

CampusBuddy (01/2023 - 04/2023)
- The app would be a mobile-friendly platform that would allow students to stay informed about campus events, read college news, report maintenance issues, and find internship opportunities.

CERTIFICATES

NPTEL Certificate (01/2023 - 04/2023)

MongoDB Node.js Developer Path
(08/2024 - 09/2024)

Postman API Fundamentals Student Expert
(10/2024 - 10/2024)

ReactJS Workshop Certificate - WebDevArmy
(05/2024 - 06/2024)
